## *Dedication*

In deep appreciation of his twenty-four years of service to Wrentham High School, we, the class of 1954, do hereby dedicate our year book to Mr. Gilbert Rishton.

## *Editorial*

For sixty years, Wrentham High, you have watched time pass through your doors. You have seen generations enter and leave year after year. And now, we, the class of 1954, must leave you for the last time. For years we have come and gone and lived as part of you. Now we must leave your sheltering arms and go on our own into the world. But you have helped to prepare us for this adventure, and although we leave you now, your memory shall linger with us for ever.

## CHAPTER I

On the morning of September 6, 1950, a group of students entered the study hall of Wrentham High School and gazed at their strange surroundings and the new teachers. The freshman class had arrived! Mr. Pagos, our class adviser, greeted us and helped us make out our class schedule. We held an election of officers in which Bill Lynch was chosen president; Ronnie Shepherd, vice-president; Judy Littlefield, secretary; and Phil Scott, treasurer. Not to be outdone by the upper-classmen, on March 30 we had a successful record hop, "Freshman Frolic Dance". On June 1 we had loads of fun putting on a show and dance for our parents.

## CHAPTER II

In the sophomore year our class adviser was Mrs. Parise, and our officers were Bill Lynch, president; Ronald Shepherd, vice-president; Joan Driggers, secretary; and Gilly Rishton, treasurer. That fall four of our girls, Enid Marshall, Joan Driggers, Carole Taylor, and Beverley Harper, became cheerleaders. On October 26 we sponsored the "Spook Dance". In March our terrific group of cheerleaders won their tournament at the Vogel School. On May 9, the dancing couples were charmed by the oriental mode of our "Nipponese Seku".

## CHAPTER III

The class leaders of our junior year were Ronnie Shepherd, president; Enid Marshall, vice-president; Beverley Harper, secretary; and Bill Lynch, treasurer. Mrs. Viall was our class adviser. That fall we sponsored two dances, the "Junior Jump" and the "Pumpkin Prom". In December The Choral Art Society, under the direction of Mr. Sullivan, presented "Christmas in Song". Judy Littlefield was one of the soloists and Diana Jenkins was an accompanist. On February 14, Phil Scott and Beverley Harper were crowned king and queen of the first Winter Carnival Ball. In March the cheerleaders, with Enid Marshall as captain, took fifth place at a cheering tournament in Spencer. The first public speaking contest, sponsored by the Holly Club, was also held that month. Shirley Prue and our own "Shep" won first and second prizes respectively. April 10 we presented our class play, "Come Rain or Shine", directed by Mrs. Viall. The cast included Enid Marshall, Judy Turner, Joan Driggers, Gail LaDue, Ronnie Shepherd, Gilly Rishton, Pat Robson, Bill Lynch, Phil Scott, Bob Whyte, Dorothy Lewis, Beverley Harper, Judy Littlefield, Kay Laushway, and Jean Richards. In May we sponsored a switch-around dance, "Ladies' Choice", to which the girls invited the boys. Mrs. Viall took our U. S. History class on a field trip around Boston to visit many of the historic places there. The magic night of the year was June 5, our junior prom. It left memories in our hearts which will never be forgotten.

## CHAPTER IV

Our senior year! With Mrs. Capron as our class adviser, we elected Ronnie Shepherd, president; Billy Lynch, vice-president; Jean Richards, secretary; and Gilly Rishton, treasurer. September 25, decked out in black-face, we presented our minstrel show, "Land 'o Cotton", with the help of Mrs. Viall and Mr. Sullivan. Gilly Rishton served as interlocutor and Ely Intlehouse, Judy Turner, Ronnie Shepherd, Bill Lynch, Judy Littlefield, and Phil Scott were the endmen. On October 16 we sponsored the "Harvest Hop" dance. On November 13 and 14 we presented our senior play, "Once in Every Family" directed by Mrs. Viall. Enid Marshall, Judy Turner, Joan Driggers, Gail LaDue, Ronnie Shepherd, Gilly Rishton, Pat Robson, Bill Lynch, Phil Scott, Bob Whyte, Kenneth Olson, Dorothy Lewis, Beverley Harper, Harold Paine, Judy Littlefield, and David Libbey made up the cast. WHDH disc jockey Bob Clayton paid us a visit on December 11 at our record hop. The Choral Art Society presented its second concert "Christmas in Many Lands". In January our Problems of Democracy class toured the Herald-Traveler building and station WCOP in Boston. The juniors and seniors went to see the spectacular "Cinerama" at the Boston Theater. On January 20 the cheerleaders were hosts at the second Southeastern Massachusetts Cheerleaders' Tournament held at the King Philip. On February 20 the second Winter Carnival Ball was held. A junior couple, Carl Schwalbe and Shirley Prue, were crowned king and queen. Gilly Rishton and Mary Sprague were their attendants from our class. On March 8 our "Problems" class had the privilege of being the first group to tour the new prison in Norfolk. On March 19 the second annual public speaking contest was held. Judy Littlefield, Ronnie Shepherd, and Sarah Stabenfeldt were awarded the first, the second, and the third prizes in order. On April 19 we left for New York where we spent four wonderful days seeing the sights and depleting our treasury. A week after the junior prom came the most wonderful night of all—our graduation!! With singing hearts and tear filled eyes, we received our diplomas, and went out to meet the world.

# *Class Prophecy*

May 17, 1964

Dear Diary:

Today Jean Watson was married! The reception was held at Libbey's Manor on Route 1A. Kenny Olsen built it five years before, and it has become a very popular place with David Libbey as its manager.

Yes, it seemed very nice to see all my class again after so many years. They are doing so well.

Diana Jenkins played the organ at the church. Jean was very fortunate to get Diana who just returned from England, where she performed five concerts at the London Palladium and before Queen Elizabeth.

The church and reception hall were beautifully decorated with flowers from Gilbert's. Gilbert runs several very successful greenhouses in Pawtucket. He is quite a family man, having six children to date.

Gee! The decorations at Libbey's Manor were absolutely stupendous! There were many beautiful pictures on the walls. All of it was modern art. Joan Driggers has definitely made a name for herself with her art work. She married only recently to her high-school sweetheart and they have settled down in Circle Drive.

There were three sailors present—Billy Lynch, Harold Paine, and Bob Whyte. Billy told me that he is a twenty-year man. He is a chief petty officer now and expects to go up for another rate next month. These fellows have been all over the United States and Europe. Harold met "Mimi", his wife, while he was in France for two years. Bob, on the other hand, is eager to be discharged so that he can come back and marry his high-school sweetheart to whom he is engaged.

All Jean's co-workers took a short leave from their offices in the Empire State Building. They flew out to Wrentham in order to attend the wedding. Martha, Marsha, and Mary were there. Mary is a private secretary to the Mayor of New York. She married a professor at Boston University.

I will never forget Ely, who was so much fun in school. He now has his own swing band, "Harmonic Hepeats", and Judy Littlefield is star vocalist. I understand that she has been given a screen test and will soon be out in Hollywood where she can emote as well as sing.

Yes, each and everyone in the class of 1954 has done well for himself. There were a few who couldn't be at the wedding. Shep was unable to attend. He was in Washington before the Senate making a speech. I hear he married a beautiful platinum blonde from Wrentham.

It seems that many of our classmates have gone to work in New York. Let's see, Martha, Marsha, and Mary. Oh, yes! Bev has an excellent position as head buyer for Macy's. She has done wonderfully. She married directly after college to a promising author.

Gail (LaDue) Brown was at the reception with her two adorable sons, one of whom, coincidentally, is also in her third grade class. Gail is still teaching at Wrentham and is very happy in her work. Dottie Lewis taught physical education for a while, but she is happily married and spends much of her time cooking for her husband and family.

Phil Scott is the only single fellow in our class and isn't even contemplating marriage. He is too rapt up in his work as a mechanical engineer to be interested in women.

Joyce wasn't at the wedding because she is stationed in Germany with the 1st Marine Division in which she is 1st Sergeant.

Enid is a clerical psychologist at a college in Maine. She is very successful and enjoys her work immensely. She has been married for three years and has a lovely daughter.

Patty Robson and Judy Turner were telling me that they are nurses at Sturdy Hospital in Attleboro. Judy expects to attend school some more and then go into psychiatric nursing. Patty has come a long way at Sturdy and expects to be promoted to Superintendent of Nurses.

I was very much surprised to hear that Jean Richards married her boss. She was private secretary for a criminal lawyer in California.

Tomorrow in school I have to practice on a mouse for a heart operation, so I must go to bed.

On September 18, 1953 the Junior Class held the first dance of the year, called "School Daze". Then on October 23 they had another dance; this one was called "Fall Festival". On April 9 they are holding their class play "Meet Corliss Archer". We want to wish the Juniors the best of luck in this and we hope that it is a big success.

The freshman boys were defeated by the senior boys in the intramural playoffs by a very small margin.

## *Athletic Association*

The most important work of the Athletic Association was done during the three meetings this year. The Constitution started by last year's officers was taken up again, worked on, and passed. Thus, this year's officers leave the association with a firm foundation on which to base its activities.

The first meeting was held November 6 to distribute athletic tickets and establish the dates for the ticket drive. Huge posters and an assembly started the campaign off with much enthusiasm.

At a second meeting, held December 1, almost at the close of the association ticket drive, work on the Athletic Association Constitution was begun. The work was finished and the Constitution passed by the association on March 15.

*Front row:* Enid Marshall, Ronald Shepherd, Mr. Morgan, Mrs. Gross, Mr. Aucoin, Mrs. MacLeod, Mr. Toner, Phillip Scott, Marijane Roche. *Back row:* John Howard, Richard Nelson, George Richards, Barrie Farrar, Judith Turner, Gilbert Rishton, Anthony Macaione, David Binney, Richard Carlson.

The boys' basketball team started practicing early in October and were eager to start playing ball. We got off to a poor start but came on strong at the end of the season and ended with five wins and fifteen losses. In our last game of the season the varsity took a three point victory from the faculty. This victory pleased the senior boys very much. Although the team will lose five players through graduation, the seniors feel Wrentham will have a good basketball team next year and wish them luck.

Coach Toner also plans to have a baseball team this year.

## Girls' Basketball

The girls' teams were well under way with a straight non-defeat for the second team and two victories for the first team in the first half of a twelve game schedule. In the second half of the season the second team continued their good work, losing only one game; and the first team spruced up to a four to two victory.

The teams enjoyed a victorious season, thanks to good teamwork and excellent coaching by Mrs. MacLeod.

High scorers were Bev Harper of the first team, 116 points, and Delight Harmon running a close second with 114 points. On the second team Shirley Giannetti finished first with 110 points and Sally Weber, second with 105 points.

Again we turn in our uniforms, winding up another basketball season, with the hope that Mrs. MacLeod's teams next year will be undefeated.

The fall of '53 brought with it the question in many minds as to who would be chosen as substitute cheerleaders. From those who tried out three were chosen by the student body, faculty, and present cheerleaders: Anna Fuimara, Lynne Ross, and Delight Harmon. Practices began in October and continued throughout the basketball season as time permitted.

We held a tournament at the King Philip Ballroom on January 20, 1954, in which we did not compete but gave an exhibition. The first prize winners in the first and second classes were Bellingham and Walpole, respectively.

Wrentham competed against fifteen schools in a tournament at Spencer on March 26, 1954. We proudly returned to Wrentham carrying the trophy of second place.

## Winter Carnival

The Winter Carnival took place on February 19 and 20 under the supervision of Mr. Aucoin.

On Friday night, February 19, 1954, a basketball game was held between the faculty and the boys' Varsity.

An Ice Skating contest and a Snow Sculpturing contest were scheduled to be included in the Winter Carnival, but because of weather conditions it was impossible for the contests to be held.

On Saturday night, February 20, 1954, The Winter Carnival Ball took place in the Vogel School Auditorium. Shirley Prue and Carl Schwalbe were elected King and Queen of the ball. The attendants for the Queen were Mary Sprague, Phyllis Manchester, and Janet Farrar, and for the King, Gilbert Rishton, James Bowers, and Michael Rishton.

The King and Queen were each presented with engraved trophies. The attendants of the royal couple were presented with gifts; the girls received mesh bags, and the boys received leather wallets.

The Winter Carnival turned out to be a great success for all who attended.

*First row:* Richard Carlson, Anna Fuimara, Philip Wood, Mary Sprague, Mr. Aucoin, David Libbey, Karen Fahlgren, Anthony Macaione. *Second row:* Michael Walker, Betty Moriarty, Richard Nelson, Norma Woolford, James Bowers, Janet Hall, Joyce Mitchell, Paul Schwalbe.

Mr. Toner, Mr. Petit, Mr. Morgan, Mr. Swett, Mr. Sullivan, Mr. Lodi, Mr. Aucoin, Mr. Delany.

As the high school spirit increased, the faculty spirit increased. The "old" men from the faculty formed an organized team and played five games. They did quite well for themselves winning three games and losing two. The team was composed of the following four veterans from the previous year: Ed Morgan, Fred Sullivan, Fred Delany, and Al Aucoin. This year's team also boasted three very promising rookies, Bill Toner, John Petit, and Russ Lodi. The team held several practice sessions and then were off and running as they beat the high school varsity by seven points. The big boys were really rounding into shape, and in their next outing against the Foxboro High School Faculty Team, they really turned on the steam and won handily by a large margin. The old fellows then took a short rest before taking on the Foxboro Faculty again on the Foxboro court. The old fellows couldn't find their shooting eyes, and their undefeated string was broken as Foxboro won easily. Again the "old" men took another rest after this game before meeting the high flying high school Varsity boys who had revenge in their hearts. The two teams clashed on the eve of the Winter Carnival, and the young boys almost ran the "old" men out of the hall as the Varsity won quite easily by a three-point margin. It was a hard loss for the old fellows, but a great emotional victory for the Varsity. The faculty also played the High School Alumni and won easily by some forty points with Big Ed Morgan setting a faculty scoring record of 39 points in that one ball game. The faculty team was weakened somewhat, however, as Fred Delaney retired from active competition at mid-season. After such a successful and tiring season, the old fellows just climbed back into their wheel-chairs and went merrily on teaching school. But they may be back next year; remember, old basketball players never die; they sink into the court.

## *The Choral Art Society*

"The Choral Art Society" is the musical organization for all the musically interested students in our high school. This group is under the direction of Mr. Fred Sullivan with the cooperation of the officers: Enid Marshall, President; Diana Jenkins, Vice-President; Joan Driggers, Secretary; Dorothy Lewis, Student Manager; and Patricia Quinn, Treasurer. Within the choral group are three specialty acts: the "Modernets", the "Choralets", and the "Lucky Thirteen". The accompanists for the society are Marcia Salemmme and Diana Jenkins. Elin Youngdahl also helped at the piano in the "Christmas in Many Lands" concert which was a wonderful success.

The plans for the spring are to have a "Pops Concert" sometime early in the season. Best of luck to all those who contribute to this activity.

The School Band, under the direction of Mr. Fred Sullivan, has increased greatly in size this year. At present there are about fifty members who play regularly with this organization. Although many of the band instruments were damaged by water in the fire this winter, everything is back to normal, and we are expecting to hear them all being played in our "Pops Concert" this spring.

The project which the Student Council undertook was to try to get a school ring instead of the class rings which we have had in the past. Representatives from three ring companies, Balfour, Murchison, and Bastian Bros., came to the school and showed the Student Council samples of rings. The Student Council had each company draw up a design for a school ring. An assembly was held and the rings were shown to the school. All pupils then voted on the ring, but they have yet to decide which design to select.

# *Armistice Day*

## AMERICAN LEGION PRIZE ESSAY

On November 11, 1918, an armistice was signed by the great nations, bringing to a close the long and heartbreaking World War I. There was considerable amount of joy among us—the American people. There were tears shed by the more unfortunate who would not be able to see our loved ones return.

But this was yet a temporary peace. For soon after came World War II, which threw our peace-loving nation into a war as chaotic as the first. America stood behind its servicemen. The defence plants never were short of help; women joined the services to aid their country, and everyone boosted the morale of these men with letters of encouragement from home.

This war came to an end also, and the United States emerged Victorious. With the outbreak of the Korean War, Americans repeated their war efforts, and this war ended with a truce.

Yes, America is, in essence, a peace-loving nation, but a nation that is willing to sacrifice all for the rights of men over state, of God over men.

Let us then look upon Armistice Day as a day of thanksgiving, a day of humble prayer, that we dwell in a land that has proved time and again that it is willing to fight for human equality so that some day this world will contain an everlasting peace and brotherhood of nations.

Their uniforms consisted of maroon corduroy short skirts, yellow sweaters, yellow pants, maroon ties, yellow socks, and white sneakers. Included in the eighth grade group were Joan Richards, Frances Schurman, Jessie Williams, Judy Harper, Rosemarie Coutu, and Janet Hall.

The seventh grade cheerleaders participated in all high school girls' basketball games at home. These girls were Patricia Bevilaqua, Joan Gross, Carol Ann Delaney, Joyce Mitchell, and Janice Peck.

Thanks to the leadership of Mrs. Gross, Mr. Morgan, and the two managers, Betsy Gregg and Elizabeth Moriarty, both teams enjoyed a very successful season.

## Junior High School Basketball

The junior high basketball team played eight games this season. Their opponents were Norfolk, Mansfield, Plainville, and Norton. Although the first team indicated only three wins and five losses, it was a very successful year. Two games were lost by only one point, and another by three.

The first team players were David Binney, William Burke, Roland Ferland, Gerald Gay, John Howard, Walter Kady, William Lowe, Wayne Nightingale, Paul Schwalbe, and Michael Walker.

The second team scored a record of six wins and only two losses.

The second team players were James Cheever, Ronald Ferland, Stephen Field, Glen Gray, Edwin Larsen, Richard Nelson, Walter Rice, Robert Stahl, William Ware, and Charles Campbell.

Betsey Gregg assists this group at the piano. Next year we hope to hear many of these voices blending with "The Choral Art Society".

Best of luck to you in your part of the spring "Pops Concert".
